One of the best and most popular ways to learn English is to immerse yourself in an Irish Home Stay. Carefully chosen families who all live within reach of the centre are available to students all year.

Private bedrooms are offered by experienced families who warmly welcome students into their homes. Accommodations manager visits every family who apply to Active language Learning and monitors from student feedback on a constant basis.

Full family details are sent to students prior to their arrival and contact is encouraged between both parties to establish common social goals. Full board includes breakfast, packed lunch and evening meal. Also included is hot water at all times, laundry facilities (dry cleaning not included) and all general common family lifestyle living.
